

Meetings At Fairfield Glade.

Common And Not So Common Hosting Done Uncommonly Well.

How about a meeting where boats are involved? Or horses. Or hiking along a river? Or golf on five Championship Courses?

Outstanding Golf Outings

Golfweek Magazine ranks Fairfield Glade's golf courses among the best in Tennessee. We have five that offer great mountain vistas, challenging topography and blankets of blossoms.

When you're not on the course, our Trackman Golf Simulator room is available for rent, allowing for "shootouts" and "closest to the pin" contests.

Fairfield Glade has the staff and resources to accommodate groups of any size up to four hundred people.

Gather your attendees for a meeting or event they will remember as uncommonly entertaining and well done.

Robin Hood Park

Looking for a more casual setting outdoors, for a barbecue perhaps? Robin Hood Park is available for weddings, reunions and company picnics. The park is conveniently located on picturesque Lake Catherine and includes two pavilions, a fishing pier, grills, and plenty of open spaces. Horseshoes anyone?
